

General Guidelines for the 2022-2023 Lottery Application and Enrollment Process

The following are the Global Leadership Academy Charter School Lottery Guidelines:

- Only one application can be submitted per student.
- You must submit your completed application by the lottery deadline on January 27, 2022.
- GLA does not carry waiting lists over from year-to-year. If a child is on the waiting list for the 2021-2022 school year and a space does not become available, the child's name does not automatically go on to a waiting list for 2022-2023; the family must submit a new application for the 2022-2023 lottery. Applications are on file from the beginning of the lottery until the following February.
- Applications can be completed electronically via the website www.glachater.org or by paper application picked up and submitted at the school site.
- Applications for 2022-2023 that are not eligible for the lottery process include (those received after the lottery deadline or those for students living in Pennsylvania, but outside of Philadelphia) will be accepted for the waiting list through the last day of current school year (June 2022) and will be added to the end of the waiting list for the particular grade in the order they are received.

Sibling Preference

- Sibling preference will only be given for siblings living in the same household (either all the time or through joint custody) as the current GLA (in grades K-8) sibling AND when submitted by the lottery deadline.
- Any sibling preference applications received after the lottery deadline will be added to the waiting list.

Multiple children from one household

If a family is applying for more than one child, an application needs to be completed for each child and each child's name will be entered individually into the lottery. If one of a set of twins is chosen in the lottery, the other twin is granted a space.

Student Lottery

The Lottery will take place at GLA and is open to the public.

The name of each child for whom an application was received by the lottery deadline will be placed in an electronic lottery database, names are pulled electronically. GLA charter gives preference to Philadelphia residents; therefore, any application received by the lottery deadline for a Pennsylvania applicants will be added to end of waiting for their particular grades after the lottery process takes place.

Notification of acceptance and waiting list status.

Applicants selected via the lottery will be notified via email.

ALL applicants will be emailed noting the child's place on the waiting list for those who did not receive an available seat.

Contacting waiting list families

A waiting list number will be emailed to parents/guardians with further updates. GLA moves through the waiting lists in numerical order, beginning with the sibling waiting list and then moving to the general list.

If/when GLA comes to a child's name on the waiting list, GLA will contact that child's family via telephone and (if available) e-mail. *It is the families' responsibility to keep GLA informed of updated contact information.*

If a child is accepted from the waiting list space at GLA and that child has another sibling on a GLA waiting list (who meets the GLA sibling preference policy), that sibling will be moved to the sibling waiting list.

If the family that is called does not respond to GLA within the given timeframe, the next name is called.

When GLA contacts a family from the waiting list and is informed that the child is either being retained in his/her current grade or being promoted two grades (instead of one), the child will be moved to the top of the non-sibling waiting list for the "new" grade, but there will not be a guarantee that GLA will be able to offer the child a space in that grade.

Parents are welcome to call GLA after April 28, 2022, to ask about any movement on the waiting lists.
