Dear Parent(s)/Legal Guardian(s):

At Global Leadership Academy CS, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

If you have any questions about your child's assignment to a teacher, please contact, Dr. Tamika Evans or by email at tevens@ga-schools.org.

Sincerely,

Dr. Tamika Evans, CEO
